Almaden Lake Park features San José's only swim beach, supervised by qualified lake lifeguards. Please call 277-5130 for exact days and hours. Visitors enjoy a range of recreational activities including fishing, boating (your own or rental pedal boats, no powerboats), birding, bicycling and roller-skating. Youngsters of all ages enjoy the variety of equipment in the sand-filled playground area. Picnic sites are located throughout the park, with most sites available on a first-come, first-served basis. Group picnic areas suitable for 20 to 200 people are available by reservation. For reservation information, please call (408) 277-2757.

Coming soon will be improvements to the east-side of park to include new picnic facilities, bocce ball courts and new marina complex. During construction there will be no parking in the east-side parking lot. Much of the area will be fenced off. We apologize for the inconvenience, but the improvements and new amenities that will result will be worth it.

Park Rangers are here to assist you and provide for a more enjoyable, educational and safe park visit. Ranger services include: first aid, fire suppression, park interpretation, and educational programming. Please call (408) 277-5130 for further park information or to make arrangements for a friendly Ranger to meet your group.

Running through Almaden Lake Park is the Los Alamitos Creek Trail, a paved 3.9-mile multi-use trail that features a fitness course and riparian splendor. Trail access north of the park has been enhanced with a new footbridge connecting to Coleman Avenue and new creek trails. The rough dirt trail north of Almaden Lake has been paved and improved. The Creek Trail goes south (beyond Harry Road as dirt single-track) to Santa Teresa County Park.

Japanese Friendship Garden

San José's Japanese Friendship Garden is a beautiful, living symbol of the "Sister City" relationship between Okayama, Japan and San José, California. The garden was dedicated in October 1965. It is located in Kelley Park, and was patterned after Okayama's world famous Korakuen Park. The traditional Japanese garden was molded by three major forces: religion, a love for nature, and a heavy use of symbolism. These three forces blended together to create a beautiful, culturally enlightening area. While visiting the Garden, take some time to feed the exotic Koi fish. Two feeding stations are available and you may purchase food for a small fee. A portion of this garden is available for morning wedding ceremonies. There is no admission fee, but there is a parking fee on weekends, during holiday periods and in the summer. For information, call 408-277-2757.

Kelley Park

Centrally located in downtown San José, Kelley Park has several picnic areas with barbecues, shaded by beautiful mature trees growing amid the expansive lawn areas. Six picnic sites that accommodate from 30-200 people are available by reservation by calling 408-277-2757. First-come, first served picnic sites are also available.

Also in Kelley Park is Happy Hollow Park and Zoo. It has many animals, a puppet show, and amusement park rides. More information on the admission fee, hours of operation and programs can be obtained by calling 408-277-3000. You can also enjoy a walk through the tranquil Japanese Friendship Garden with its lovely ponds filled with colorful Koi fish. Special Koi fish food is available for purchase. The Garden is also available for wedding ceremonies.
